MSH Group

Our farms are located in the heart of the European Union, in a country that is 60% covered by forests, a country with the richest water sources, organic soil, and a weather continental climate that is ideal for the production of healthy and organic food. MSH farms are located in Bosnia and Herzegovina. MSH Group farms are part of MSH Holding, which has been operating for over 40 years and represents the highest standard in the production, processing, and distribution of food throughout the world, European countries, USA, Middle East, Africa, and East Asia.

MSH uses the latest cold store facilities managed by an expert team.

Svježe voće/Fresh fruit

125g - 400g

SVJEŽE ORGANSKE JAGODE
FRESH ORGANIC STRAWBERRIES

Svježe organske jagode najbolje uspijevaju u brdsko-planinskim područjima Bosne i Hercegovine, zbog sastava zemljista i klimatskih uslova.

Fresh organic strawberries is considered a delicacy in many countries. Bosnia is hilly and mountainous country, with fertile soil and a temperate climate.

125g - 400g

SVJEŽA ORGANSKA MALINA
FRESH ORGANIC RASPBERRY

Malina predstavlja najviše uzgajane bobice u našoj zemlji. Dozrijevaju u ljetu i ranu jesen, najbolja konzumacija je odmah nakon berbe.

Raspberry is the most cultivated berry in our country. They ripen in summer and early autumn, and they're best consumed immediately after harvest.

125g - 400g

SVJEŽA ORGANSKA BOROVNICA
FRESH ORGANIC BLUEBERRY

Borovnica je listopadna grmolika biljka koja se tradicionalno uzgaja u Bosni. Plodovi borovnice su lijepo okrugle tamno plave bobice, sa slatkim ukusom.

Blueberry is a deciduous bushy plant that is traditionally grown in Bosnia. Blueberries fruits—round, dark blue berries with a sweet taste—are highly nutritious.

125g - 400g

SVJEŽA ORGANSKA KUPINA
FRESH ORGANIC BLACKBERRY

Uzgaja se u planinskim djelovima centralne Bosne. Crni plodovi kupine mogu biti krupni i doseći težinu i veću od pet grama. Berba se obavlja krajem augusta.

The blackberry is a delicious, healthy fruit that grows in mountainous parts of central Bosnia. The fruit can be large and weigh more than five grams. Harvesting, of these rich in fiber and iron berries, occurs at the end of August.

125g - 400g

SVJEŽA ORGANSKA JABUKA
FRESH ORGANIC APPLE

Jabuke su voće koje tradicionalno uzgajamo u Bosni i Hercegovini. Uzgoju jabuka u našoj zemlji pogoduju ekološki i klimatski uslovi.

Apples are the most traditionally grown fruit in Bosnia and Herzegovina. Our country has ideal growing conditions for apples, which makes them perfect for fresh consumption with the finest natural smell and aroma.

125g - 400g

SVJEŽA ORGANSKA KRUŠKA
FRESH ORGANIC PEAR

Organske kruške su sočne i slatke, zbog čega ih je najbolje konzumirati kao svježe voće. Zbog izuzetne slatkoće ponekad se prerađevine kruške koriste kao zasladičavac.

Organic pears are juicy and sweet, making them ideal fresh consumption fruit. Their exceptional sweetness makes processed pears the sweetener in processed food, as well as a quick source of energy.

125g - 400g

SVJEŽA ORGANSKA ŠLJIVA
FRESH ORGANIC PLUM

U našim krajevima najpopularnija je obična plava šljiva koja dozrijeva u ljetu. Ekološki uslovi za uzgoj organske šljive su idealni na područjima centralne Evrope.

Our region's most popular plum is the common blue plum, which ripens in the summer. Plum trees grow well in the areas of central Europe, where the ecological conditions are ideal.

Smrznuto voće/Frozen fruit

400g - 1kg

DUBOKO SMRZNUTA ORGANSKA MALINA DEEP-FROZEN ORGANIC RASPBERRY

Organsko jagodičasto voće malina, sorta Meeker. Radi se o cijelim, pojedinačno smrznutim plodovima. Proizvod je bez ikakvih mehaničkih nečistoća, ujednačene boje i ukusa tipičnog za sortu.

Organic berry fruit raspberry, Meeker variety. These are whole, individually quick frozen fruits(IQF). The product is free of any mechanical impurities, uniform color and taste typical of the variety.

400g - 1kg

DUBOKO SMRZNUTA ORGANSKA JAGODA DEEP-FROZEN ORGANIC STRAWBERRY

Karakteristike organske jagode su zdravi ujednačeni plodovi, bez pljesni, bez tragova nečistoća. Uzgojena u idealnom okruženju koje zahtjeva organska proizvodnja.

The characteristics of organic strawberries are healthy uniform fruits, without mold, without traces of impurities. Grown in the ideal environment required by organic production.

400g - 1kg

DUBOKO SMRZNUTA ORGANSKA ARONIJA CHOKEBERRY DEEP FROZEN FRUIT

Ovo bogato voće, pored svog nutritivnog sastava redovno nas oduševi sa okusom koji daje u raznim kombinacijama.

This rich fruit, in addition to its nutritional composition, regularly delights us with the taste it gives in various combinations.

DUBOKO SMRZNUTO ORGANSKA BOROVNICA DEEP-FROZEN ORGANIC BLUEBERRY

Organsko voće borovnica raste na visokim nadmorskim visinama Bosne, bere se ručno, ne tretira se nikakvim preparatima.

Organic blueberry fruit grows at high altitudes in Bosnia, it is harvested by hand, it is not treated with any preparations.

400g - 1kg

DUBOKO SMRZNUTO VOĆE MIX FROZEN BERRIES MIX

MSH Frozen berries mix je najbolja kombinacija voća. Odabранo voće za ovaj mix je najboljeg kvaliteta, uzgojeno u prirodnom okruženju, prerađeno po najvišim standardima za hranu.

MSH Frozen berries mix is the best combination of fruits. The fruits selected for this mix are of the best quality, grown in a natural environment, processed according to the highest standards for food.

DUBOKO SMRZNUTA ŠLJIVA DEEP-FROZEN PLUM

Organska šljiva je tradicionalno voće zemlje Bosne i Hercegovine. Uzgaja se u brdovitim i šumskim krajevima.

Organic plum is a traditional fruit of Bosnia and Herzegovina. It is grown in hilly and forest regions. Organic plums are hand-picked and deep-frozen immediately after picking.

Džemovi/Jams

250g - 1kg

**DŽEM ŠLJIVA I ZOHVINE BOBICE
PLUM AND ELDERBERRY JAM**

Nesvakidašnja kombinacija tradicionalnih okusa spakovana je u tegle džema od šljiva i zohvinih bobica.

An unusual combination of traditional flavors packed in jars of plum and elderberry jam.

250g - 1kg

**DŽEM ARONIJA I BOROVNICA
ARONIA AND BLUEBERRY JAM**

Aronije koje su rasle na selu, zajedno sa šumskim borovnicama iz netaknute prirode, pažljivo su ubrane i rukama vrijednih seljaka pretvorene u pravi, domaći džem.

Aronia that grew in the countryside, together with wild blueberries from untouched nature, were carefully harvested and turned into a real, homemade jam by the hands of diligent farmers.

250g - 1kg

**DŽEM BOROVNICA
BLUEBERRY JAM**

Džem od borovnice je idealan spoj tradicionalnog recepta i modernog okusa, u kojem uživaju svi uzrasti.

Blueberry jam is an ideal combination of a traditional recipe and a modern taste, which is enjoyed by all ages.

250g - 1kg

**SLATKO OD ŠLJIVA
PLUM SWEETS**

Slatko od šljiva je pravi proizvod za sve ljubitelje domaćeg, slatkog namaza. Šljive i šećer su u omjeru koji najbolji odgovara sastavu obje voćke, a sasvim dovoljnog da zasladi svačiji dan.

Plum spread is the right product for all lovers of homemade, sweet spreads. Plums and sugar are in the ratio that matches the composition of each fruit the best, and just enough to sweeten everyone's day.

250g - 1kg

**DŽEM ARONIJA I KUPINA
ARONIA AND BLACKBERRY JAM**

Ovo bogato voće, pored svog nutritivnog sastava redovno nas oduševi sa okusom koji daje u raznim kombinacijama.

This rich fruit, in addition to its nutritional composition, regularly delights us with the taste it gives in various combinations.

250g - 1kg

**DŽEM ZOHVINE BOBICE
ELDERBERRY JAM**

Zohvine bobice su već dugo neizostavan sastojak svih domaćih receptura koje se spremaju na selu, u prirodi.

Elderberries have long been an essential ingredient in all home recipes prepared in the countryside, in nature.

250g - 1kg

DŽEM ARONIJA I ŠLJIVA ARONIA AND PLUM JAM

Dvije, same po sebi bogate voćke, udružile su snage u ovoj recepturi i pružile idealan okus i poseban sastav. Zajedno pričaju zdravu priču i odišu mirisom prirode.

Two fruits, each nutritious enough by itself, joined forces in this recipe and provided an ideal taste and special composition. Together they tell a healthy story and exude the scent of nature.

250g - 1kg

BESTILJ BEZ ŠEĆERA BESTILJ WITHOUT SUGAR (PLUM JAM)

Kako bismo iskoristili ono najljepše što nam priroda nudi, napravili smo pravi, domaći bestilj od šljiva.

In order to use the most beautiful things that nature has to offer, we made a real, homemade bestilj from plums.

250g - 1kg

DŽEM DUNJA QUINCE JAM

Voćka koja svojim lijepim mirisom mami i ukrašava, sada kralji i ovaj asortiman proizvoda. Tegle džema od dunje mirisu na selo i domaće, i sigurno će ukrasiti svako jelo.

The fruit, which lures and decorates with its beautiful fragrance, now also adorns this range of products. Jars of quince jam have a scent of the countryside, and are sure to brighten up any meal.

250g - 1kg

DŽEM ŠIPURAK ROSEHIP JAM

Vraćamo okus tradicije sa džemom od šipuraka, ovaj put baš onako kako smo ga prije pravili – od samo dva sastojka, bez štetnih konzervansa.

We are bringing back the taste of tradition with the rosehip jam, this time just like we used to make it – from only two ingredients, without harmful preservatives.

250g - 1kg

DŽEM DRIJENJAK DOGWOOD JAM

Koristeći se samo onim što nam priroda pruža, ali i znanjem koji nam prenose naši stariji, pripremljen je džem od drjenjaka.

Dogwood jam is prepared using only what nature provides us, with the knowledge passed on to us by our elders.

250g - 1kg

DŽEM VIŠNJA SOUR CHERRY JAM

Višnja koja je ubrana iz mirisnih seoskih voćnjaka pripremljena je na poseban način, kako bi se očuvao miris prirode.

Sour cherries, harvested from fragrant countryside orchards, are prepared in a special way, in order to preserve the scent of nature.

250g - 1kg

**PEKMEZ OD SLATKIH JABUKA
SWEET APPLE PEKMEZ (JAM)**

Domaći, pravi pekmez od jabuka koje su rasle u čistoci prirode. Samo slatke jabuke i ništa više.

Homemade, real pekmez (jam) from apples that grew in the purity of nature. Just sweet apples and nothing more.

250g - 1kg

**PEKMEZ OD KISELIH JABUKA
SOUR APPLE PEKMEZ (JAM)**

Za sve koji nisu ljubitelji slatka, priroda je podarila i drugačiju opciju - pekmez od kiselih jabuka, bez ikakvih dodataka.

For all those who are not fans of sweets, nature has given a different option - sour apple jam, without any additives.

250g - 1kg

**DŽEM JAGODA
STRAWBERRY JAM**

Mnogima je omiljeni sa razlogom, a idealno ide uz razne recepte i kombinacije. Klasični okus džema od jagoda obogaćen je tradicijom, a svaka tegla je pripremljena sa pažnjom i ljubavi.

It is favorite for a reason, and ideally goes with various recipes and combinations. The classic taste of strawberry jam is enriched by tradition, and each jar is prepared with care and love.

250g - 1kg

**FARMEROVA ŽELJEZNA MJEŠAVINA
FARMER'S IRON MIX**

Domaći proizvod, ručno pravljena kombinacija orašastih plodova i domaćeg pekmeza.

Homemade product, a handmade combination of nuts and homemade jam.

Med/Honey

200g - 20kg

**MED ŠUMSKI
FOREST HONEY**

Dragocjene pčele su nam podarile lijek za mnoge tegobe, a mi smo ga sa zahvalnošću prihvatili i presuli u tegle, radosni što možemo uživati u još jednoj blagodati.

Precious bees gave us medicine for many ailments, and we gratefully accepted it and poured it into jars, thankful that we can enjoy another blessing.

200g - 20kg

**MED BAGREM
ACACIA HONEY**

Mirisni bagrem je privukao i pčele, a kao rezultat dobili smo med od ove lijepе biljke.

The fragrant acacia attracted bees, and as a result we got honey from this beautiful plant.

200g - 20kg

**MED LIVADA
MEADOW HONEY**

Med livadu su napravile pčele sakupljajući polen sa mirisnih livada, a naši vrijedni pčelari - čuvari prirode, svaku teglu pažljivo pripremili i čuvali, kako bismo svi mogli okusiti darove prirode.

Meadow honey was made by bees collecting pollen from fragrant meadows, and our hard-working beekeepers - keepers of nature, carefully prepared and preserved each jar, so that we could all taste nature's gifts.

200g - 20kg

**MED KESTEN
CHESTNUT HONEY**

Med od kestena je pravo zlato u tegli, čiju svaku kapljicu pažljivo čuvamo. U kombinaciji sa domaćim čajem, med od kestena vraća nas prirodi i pomaže nam u očuvanju našeg zdravlja.

Chestnut honey is a real gold in a jar, every drop of which we carefully preserve. In combination with homemade tea, chestnut honey brings us back to nature and helps us preserve our health.

200g - 20kg

**FARMEROVA ŽELJEZNA MJEŠAVINA
FARMER'S IRON MIX**

Domaći proizvod, ručno pravljena kombinacija orašastih plodova i domaćeg pekmeza.

Homemade product, a handmade combination of nuts and homemade jam.

Sokovi/Juices

1L - 5L

SOK JABUKA 100%
APPLE JUICE 100%

Vraćamo se u vremena prirodnih sokova, pripremljenih od samoga voća. Klasični sok od jabuke, ovaj put pažljivo pripremljen, tako da je svaka boca ručno cijedena i posebna na svoj način.

We are returning to the times of natural juices, prepared from the fruit itself. Classic apple juice, this time carefully prepared, so that each bottle is hand-squeezed and special in its own way.

1L - 5L

SOK ARONIJA 100%
ARONIA JUICE 100%

Još jedan način uživanja u ovom korisnom voću je i sok koji u sebi ne sadrži ništa osim aronije, ubrane iz čiste prirode. Pored bogatog sastava, domaći sok od aronije je i idealno osježenje.

Another way to enjoy this useful fruit is the juice, which contains nothing but aronia, harvested from pure nature. In addition to its rich composition, homemade aronia juice is also an ideal refreshment.

1L - 5L

SOK VIŠNJA
SOUR CHERRY JUICE

Višnje rasle u voćnjacima seoskih predjela, pažljivo su ubrane i cijedene kako bi se dobio osvježavajući sok koji nas vraća prirodi.

Sour cherries that grew in the orchards of rural areas, were carefully harvested and pressed to obtain a refreshing juice that brings us back to nature.

1L - 5L

SOK KRUŠKA 100%
PEAR JUICE 100%

Svaka boca je priča za sebe, kao što i svaka voćka raste neometano u prirodi, i daje unikatan pečat našim prirodnim sokovima.

Each bottle is a story itself, just as each fruit tree grows undisturbed in nature, and gives a unique stamp to our natural juices.

Sosovi/Sauces

BASMATI RIŽA BASMAT RICE

Basmati riža je prepoznatljiva po svom izduženom zrnu, mirisu i okusu. Basmati riža je najkvalitetnija riža na svijetu. Smatra se super žitaricom zato što sadrži 8 esencijalnih aminokiselina.

Basmati rice is recognizable by its elongated grain shape, smell and taste. Basmati rice is the best quality rice in the world. It is considered a super grain because it contains 8 essential amino acids.

Kozmetika/Cosmetics

50ml

DNEVNA KREMA DAY CREAM

Glavna supermoć naše dnevne kreme je da kožu održava hidratiziranom i zaštićenom od vanjskih štetnih utjecaja tijekom cijelog dana.

The main superpower of our day cream is that the skin is kept hydrated and protected from external harmful influences throughout the day.

50ml

NOĆNA KREMA NIGHT CREAM

Naša noćna krema vaš je najbolji saveznik u pomlađivanju i regeneraciji kože dok se odmarate nakon napornog dana.

Our night cream is your best ally in rejuvenating and regenerating the skin while you rest after a hard day. Skin renewal during the night is ensured thanks to pomegranate oil and phytoextract, which restructure the skin's hydrolipidic layer.

30ml

OKOLOOČNA KREMA EYE CREAM

Osjetljivo područje oko očiju zahtijeva pažljivo razvijenu formulu koja ciljano djeluje na tamne mrlje, podočnjake i vidljive znakove starenja.

The sensitive area around the eyes requires a carefully developed formula that targets dark spots, dark circles and visible signs of aging.

100ml

HIDROLAT SMILJA MIRACLE FLOWER WATTER

Bezalkoholni tonik za čišćenje lica za nečistu kožu i učinkovito olakšanje za prenapregnute mišiće nakon tjelesne aktivnosti.

Alcohol-free facial cleansing tonic for impure skin and effective relief for overstrained muscles after physical activity.

150ml

PJENA ZA ČIŠĆENJE LICA FACIAL CLEANSING FOAM

Učinkovit, ali nježan način za čišćenje vaše kože. Narentas pjena za čišćenje lica s ekstraktom smilja i ruže pomaže u održavanju zaštitne barijere.

An effective yet gentle way to cleanse your skin. Narentas facial cleansing foam with immortelle and rose extract helps maintain your skin's protective barrier.

5ml

ETERIČNO ULJE SMILJA IMMORTELLE ESSENTIAL OIL

Njega kože koju morate imati za smanjenje prisutnosti finih linija i bora.

A skin care must-have to reduce the appearance of fine lines and wrinkles.

50ml

PRAH ZA ČIŠĆENJE KOŽE SKIN CLEANSING POWDER

Prvi korak prema uravnoteženoj i zdravoj koži. Temeljito čišćenje lica bitan je dio svakog režima njegе kože na putu prema uravnoteženoj i zdravoj koži.

The first step towards balanced and healthy skin. Thorough facial cleansing is an essential part of any skin care regimen on the way to balanced and healthy skin.

30ml

REGENERATIVNI ULJNI SERUM REGENERATIVE OIL SERUM

Usporavanje procesa starenja kože kap po kap. Mi u Narentasu svjesni smo da pronađenje najboljeg seruma za lice ili ulja za lice može biti u najmanju ruku teško.

Slowing down the skin aging process drop by drop. We at Narentas are aware that finding the best face serum or face oil can be difficult to say the least.
